

Office of the Secretary of Defense

§ 185.1

State, or local civil authorities, or by qualifying entities.

(B) RFAs will be in writing and addressed to the Secretary of Defense, the Deputy Secretary of Defense, or the DoD Executive Secretary, 1000 Defense, Pentagon, Washington, DC 20301-1000. DoD Components who receive RFAs directly from the requestor will immediately forward them to the DoD Executive Secretary for disposition, distribution, and tracking.

(C) At a minimum, the RFA will be distributed to the ASD(HD&ASA) and the CJCS for staffing and recommendation. If the RFA is for a single capability for which a DoD Component is the OPR or serves as a DoD Executive Agent, the RFA is sent to that Component for action with an information copy provided to the ASD(HD&ASA) and the CJCS.

(D) Vetting of RFAs will be in accordance with the DoD Global Force Management process and consistent with criteria published in DoD 8260.03-M, Volume 2 (see http://www.dtic.mil/whs/directives/corres/pdf/826003m_vol2.pdf).

(E) Heads of DoD Components will consult with the DoD Executive Secretary on which DoD official will communicate DoD special event support decisions to the requesting authorities.

(4) *Execution.* Execution of DoD support of special events is a shared responsibility. The scope and magnitude of the support being provided will determine the OPR and level of execution.

(i) When joint military forces or centralized command and control of DoD support to a special event are anticipated or required, a Combatant Commander may be identified as the supported commander in a properly approved order issued by the CJCS. The designated Combatant Command shall be the focal point for execution of DoD support to that special event with other DoD Components in support. Reporting requirements shall be in accordance with the properly approved order issued by the CJCS and standing business practices.

(ii) When there are no joint military forces required and there is no need for centralized command and control, DoD support of special events shall be exe-

cuted by the CJCS or the Head of a DoD Component, as designated in a properly approved order or message issued by the CJCS. Oversight of DoD support will be provided by the ASD(HD&ASA).

(iii) As described in the Joint Action Plan for Developing Unity of Effort, when Federal military forces and State military forces are employed simultaneously in support of civil authorities in the United States, appointment of a dual-status commander is the usual and customary command and control arrangement. Appointment of a dual-status commander requires action by the President and the appropriate Governor (or their designees).

(5) *Recovery.* (i) Durable, non-unit equipment procured by the Department of Defense to support a special event shall be retained by the CJCS for use during future events in accordance with §183.5(i)(7) of this part.

(ii) An after-action report shall be produced by the Combatant Command or OPR and sent to the ASD(HD&ASA) and the CJCS within 60 days of completion of the event.

Defense Support of Civil Authorities (DSCA). Support provided by U.S. Federal military forces, DoD civilians, DoD contract personnel, DoD Component assets, and National Guard forces (when the Secretary of Defense, in coordination with the Governors of the affected States, elects and requests to use those forces in title 32, U.S.C., status) in response to requests for assistance from civil authorities for domestic emergencies, law enforcement support, and other domestic activities, or from qualifying entities for special events. Immediate Response Authority. A Federal military commander's, DoD Component Head's, and/or responsible DoD civilian official's authority temporarily to employ resources under their control, subject to any supplemental direction provided by higher headquarters, and provide those resources to save lives, prevent human suffering, or mitigate great property damage in response to a request for assistance from a civil authority, under imminently serious conditions when time does not permit approval from a higher authority within the United States. Immediate response authority does not permit actions that would subject civilians to the use of military power that is regulatory, prescriptive, proscriptive, or compulsory. State immediate response is addressed in §185.4(h) of this part.

Qualifying Entity. A non-Governmental organization to which the Department of Defense may provide assistance for special events by virtue of statute, regulation, policy, or other approval by the Secretary of Defense or his or her authorized designee.

Responsible DoD Civilian. For purposes of DSCA, the Head of a DoD Component or other DoD civilian official who has authority over DoD assets that may be used for a DSCA response.

Special Event. An international or domestic event, contest, activity, or meeting, which by its very nature, or by specific statutory or regulatory authority, may warrant security, safety, and/or other logistical support or assistance from the Department of Defense.

Total Force. See DoD Directive 1200.17¹⁵.

§ 185.4 Policy.

It is DoD policy that:

(a) This part shall be implemented consistent with national security objectives and military readiness.

(b) Unless expressly stated otherwise, the provisions of this part should not be construed to rescind any existing authorities of the Heads of DoD Components, commanders, and/or responsible DoD civilians to provide DSCA in accordance with existing laws, DoD issuances, and Secretary of Defense-approved orders.

(c) DSCA is initiated by a request for DoD assistance from civil authorities or qualifying entities or is authorized by the President or Secretary of Defense.

(d) All requests for DSCA shall be written, and shall include a commitment to reimburse the Department of Defense in accordance with the Stafford Act, Economy Act, or other authorities except requests for support for immediate response, and mutual or automatic aid, in accordance with §185.4(g) and (m) of this part. Unless approval authority is otherwise delegated by the Secretary of Defense, all DSCA requests shall be submitted to the office of the Executive Secretary of the Department of Defense. For assistance provided according to §185.4(g) of this part, civil authorities shall be informed that oral requests for assistance in an emergency must be followed by a written request that includes an offer to reimburse the Department of Defense at the earliest available opportunity. States also must reimburse the United States Treasury in accordance with section 9701 of title 31, U.S.C. Support may be provided on a non-reimbursable basis only if required by law or if both authorized by law and approved by the appropriate DoD official.

(e) All requests from civil authorities and qualifying entities for assistance shall be evaluated for:

- (1) Legality (compliance with laws).
- (2) Lethality (potential use of lethal force by or against DoD Forces).
- (3) Risk (safety of DoD Forces).
- (4) Cost (including the source of funding and the effect on the DoD budget).
- (5) Appropriateness (whether providing the requested support is in the interest of the Department).

¹⁵ Available by downloading at <http://www.dtic.mil/whs/directives/corres/pdf/120017p.pdf>.

(6) Readiness (impact on the Department of Defense's ability to perform its primary mission).

(f) DSCA plans shall be compatible with the National Response Framework; the National Incident Management System; all contingency plans for operations in the locations listed in § 185.1(c) of this part; and any other national plans (approved by the President or Secretary of Defense) or DoD issuances governing DSCA operations. DSCA planning will consider command and control options that will emphasize unity of effort, and authorize direct liaison if authorized by the Secretary of Defense.

(g) Federal military commanders, Heads of DoD Components, and/or responsible DoD civilian officials (hereafter referred to collectively as "DoD officials") have immediate response authority as described in this part. In response to a request for assistance from a civil authority, under imminently serious conditions and if time does not permit approval from higher authority, DoD officials may provide an immediate response by temporarily employing the resources under their control, subject to any supplemental direction provided by higher headquarters, to save lives, prevent human suffering, or mitigate great property damage within the United States. Immediate response authority does not permit actions that would subject civilians to the use of military power that is regulatory, prescriptive, proscriptive, or compulsory.

(1) The DoD official directing a response under immediate response authority shall immediately notify the National Joint Operations and Intelligence Center (NJOIC), through the chain of command, of the details of the response. The NJOIC will inform appropriate DoD Components to including the geographic Combatant Command.

(2) An immediate response shall end when the necessity giving rise to the response is no longer present (e.g., when there are sufficient resources available from State, local, and other Federal agencies to respond adequately and that agency or department has initiated response activities) or when the initiating DoD official or a higher authority directs an end to the response. The DoD official directing a response

under immediate response authority shall reassess whether there remains a necessity for the Department of Defense to respond under this authority as soon as practicable but, if immediate response activities have not yet ended, not later than 72 hours after the request of assistance was received.

(3) Support provided under immediate response authority should be provided on a cost-reimbursable basis, where appropriate or legally required, but will not be delayed or denied based on the inability or unwillingness of the requester to make a commitment to reimburse the Department of Defense.

(h) The authority of State officials is recognized to direct a State immediate response using National Guard personnel under State command and control (including personnel in a title 32, U.S.C. (hereafter referred to as "Title 32") status) in accordance with State law, but National Guard personnel will not be placed in or extended in Title 32 status to conduct State immediate response activities.

(i) Federal military commanders are provided emergency authority under this part. Federal military forces shall not be used to quell civil disturbances unless specifically authorized by the President in accordance with applicable law (e.g., chapter 15 of title 10, U.S.C.) or permitted under emergency authority, as described below (See DoD Directive 3025.12¹⁶ and DoD Directive 5525.5¹⁷.) In these circumstances, those Federal military commanders have the authority, in extraordinary emergency circumstances where prior authorization by the President is impossible and duly constituted local authorities are unable to control the situation, to engage temporarily in activities that are necessary to quell large-scale, unexpected civil disturbances because:

(1) Such activities are necessary to prevent significant loss of life or wanton destruction of property and are necessary to restore governmental function and public order, or,

(k) Federal military forces employed for DSCA activities shall remain under Federal military command and control at all times.

(l) Special event support to a qualifying entity shall be treated as DSCA.

(p) Direct liaison between DoD Components and the States should occur only when time does not permit compliance with § 185.5(m)(1) of this part. In each such instance, the Chief, National Guard Bureau, will be informed of the direct liaison.
